## Buy - A - Brick

Become a permanent part of Hamlin's Heritage as we pave a pathway from the past to the future. Purchase a brick in memory of a loved one, to commemorate a special event or to record your place in Hamlin's history. The bricks will be used to pave a path at the North Star History Center, for current and future generations to see and reflect upon.

Help us renovate the century-old stone barn to make it an integral part of the North Star History Center. Net proceeds from the brick sale will be used to expand Hamlin's historical collections to include agricultural artifacts and other farm related items that are so much a part of Hamlin's heritage.

**Bricks are available in two sizes:**

A 4" x 8" brick is available with up to 3 lines with 15 characters per line, including spaces.

An 8" x 8" brick is available and can hold up to 6 lines with 15 characters per line. An optional custom logo may be used on this size brick for additional cost.

*You will receive a Certificate of Acknowledgment for your brick purchase.*
