REQUIRED NOTIFICATIONS

To reduce the possibility of another fire causing further damage or injury, the fire department is required to complete the following notification:

Chapter 51-8 Code of the Town of Hamlin/Section 1203 New York State Uniform Fire Prevention and Building Code - The chief of any fire department providing firefighting services for a property within this Town shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent.

Section 108 NYS Fire Code and Property Maintenance Code - If a fire should occur in any chimney, smokestack, flue, gas vent, smokepipe or connector, then the item shall be inspected for damage by the Code Enforcement Officer before any further use.

If Section 108 applies, did this fire involve the primary heat source? Yes No

By my signature below, I verify that I have been notified of my obligation to contact the Town of Hamlin Code Enforcement Officer at 964-3708 before any further use.
