Due to New York State budget cuts to the Monroe County Library System, the Hamlin Library will start charging \$.75 for all holds and \$.35 for overdue items starting September 1, 2011.

On January 1, 2012, the Hamlin Library will start charging a \$1.00 hold fee for all material.

Most all Monroe County libraries started charging \$1.00 hold fees September 1, 2011.

We have had full financial support from the Town of Hamlin but NYS has made cuts to library support that leaves libraries at the support level from 1993.

Please write to NYS Senator George Maziarz or NYS Assemblyman Steve Hawley if you wish to express your concern.
