PUBLIC FORUM/CORRESPONDENCE:

Nicole reported that the *Help Hamlin Kids* raised \$223.00 for the bottle drive and another \$36.00 was donated. Friday the 13th is the Spooktacular dance with all proceeds going to the *Help Hamlin Kids*. The next meeting will be October 18th at 6:00 p.m. in the gym. The playground samples were sent in to the lab today and Nicole is hoping to have the results by the end of the month.

The skate park kids came to report that they have over 800 people who have signed the skate park petition. The community has shown great support for this so far. Stan brought up the idea to take pictures and make up a couple of posters to put up to show people. Next step will be to come up with some designs and visuals to take along with the petitions to the town board. Tony attended the meeting and said that if done properly, this will draw people to the town. The kids will be attending the first Wheel Fest meeting to see about having a demo at the next Wheel Fest. This will give the community an opportunity to see what the sport is about. Karen asked, "If this comes to be, what area of the park would be used?" Pat told them at this point we cannot answer that question because the Commission and the Town Board would have to look at the proposed plans and find the best option.
