COMMUNITY CENTER EXPLORATORY REPORT:

The town board has all of the information and we are waiting to hear from them. Diane would like to get any kind of reports which show the growth of the different programs over the years to take to the Town Board members.

SENIOR COORDINATOR REPORT:

Katrina reported there were 86 members present at the April meeting with 3 new members joining. The Senior Citizen of the month was Gloria Haam. Katrina said even though the craft instructor didn't attend the last meeting everyone had a great time. As of now the Indianapolis trip only has 3 couple signed up and may be canceled but all other trips are filling up. Some new trips will be to see a Redwing game and to see the Hill Camorra pageant. Enrollment has increased so much that Katrina is going to talk to St Johns about using the gym because the VFW doesn't have enough room to hold everyone. In January of 2003 there were 47 seniors and in January of 2006 there were 84. Way to go seniors! The senior's next meeting will be May 23 at the VFW.

April 2006 Expenditures:

6772.4: \$1440.00

7620.4: \$0

Youth Group Report

Brenda was excused but left some information with Stan. May 20 from 5-9 is the Community dance at the VFW. Volunteers are needed to sell refreshments. This is a great activity for the whole family. May 29 at 12:30 at the K&K will be a patriotic costume contest. The Hamlin Wheel Fest is June 3rd and volunteers are needed to man the recreation booth. We will be giving out recreation fliers as week as helping the boy scouts at the dunking booth. Another big event will be the trip to Minnehans June 28th.

DIRECTOR'S REPORT:

Pat announced that the summer programs are almost ready. The brochure should be going to the printers the first week in June with a home delivery of the 2nd or 3rd week in June. Fliers will be available at Wheel Fest for the summer programs. May 23rd starts the games for the Majors and Minors and May 31st Softball is slated to begin if a coach is found. Sports pictures will be June 5th, 6th & 7th. Most uniforms have been ordered and the Referee clinic will be coming up.

ASSISTANT DIRECTOR'S REPORT:

The Spring break programs were a great success with 67 people attending the Reptile show and a good turnout for the Candy Bar Bingo. Patty Jo just finished a training seminar Growing Healthy Kids through Leadership and said it was great. There was a lot of great information that she will defiantly be using. The Pitch Hit & Run was a great success with over 20 participants ☺ also the first Jr. Olympics is Saturday May 12 at 1PM and they are hoping for a good turnout.

COMMISSIONER'S REPORTS:

Stan attended the Pitch Hit & Run and said even though it was cold there was a good turnout. Stan attended the town board meeting and said that George Todd was very supportive of the recreation commission. Diane has been attending the Ballroom Dancing and says it is going good and everyone has a great time. Diane also suggested that at our next meeting we walk through the fields during games. The commission will meet at 6:30 and do a walk through prior to our regular meeting.

OLD BUSINESS:

The recreation equipment reserve fund proposal was tabled. The town board approved the Residential and Commercial Recreation Fee Proposals at their last meeting.

NEW BUSINESS:

Pat is looking at two companies who supply paint sprayers for the ball fields. The pricing is similar but one offers more extras. Pat is researching the pricing to see if it would be better to go with the one that has the extras or if it would be cheaper to go the other route. The expense would come out of the big equipment fund. The cost would initially be more but being able to use 5 gallon paint cans instead of spray cans would drop out paint cost next year. A meeting is going to be scheduled with each of the two companies, Pat and Charlie to help with the decision. Pat is also going to look into see if any one else has either of the machines locally so we can see if they have had any kinds of problems.
