Katrina reported that there were 14 members in attendance at the Executive meeting this morning and 101 members at the April meeting. Congratulations to **Sandy Bernstine** the **senior of the month**. Katrina was very happy to report that they had four new members join last month-Cheryl & Bud Rose and Tom & Mary Rosia. On Friday, May 4th there were seven seniors who enjoyed the Breakfast and entertainment put on by the Brockport Oliver Middle School. Katrina informed the commission that they are working on their By-Laws and will report to us when they are complete. The seniors will be going to Canada June 5th for the Let's Build a Car trip and July 6th they will be going to the Red Wings Game. Also coming up are the African Lion Safari and the Annual picnic at Hamlin Beach. Katrina is hoping to come up with a days worth of events for the picnic as they pay for the pavilion for the whole day. As of May 22nd the seniors will be meeting at St. John's Lutheran Church for their monthly meetings. There was an issue with the VFW in regards to card and Bingo playing at an establishment where there is a liquor license. Katrina said St. John's has been great and they are ready to go.

OLD BUSINESS:

One of the coaches made mention that our kick wall was not made properly for the ball to bounce to the kicker and that it is not the proper size. Diane proposed doing some research on Kick Walls in hopes of upgrading ours before we paint it. As of right now we have four kids who have submitted drawings and we will keep taking submissions and the Commission will vote at the June meeting.

Pat has been in contact with Karen Howe (Skate Park) and she told Pat that they are feeling that they have presented all of the information we have asked for as well as the Town Board and now they feel they are

going nowhere. Karen wants to know what the next step is and to see if they have a commitment for everyone so they can start rounding up sponsors and donations. Pat is going to advise Karen that right now things are at a stand still because the Wind Tower debate has taken up several months of the Town Boards meetings. We are in support of the park but we need to look at funding options for it and are asking they come to the August meeting so we can discuss in more details what needs to be done for the September budget meetings.
