**DIRECTOR'S REPORT:**

Pat provided the Commission with the updated Monthly Program Report. The cinder blocks for the kick wall have been delivered and are being stored until the weather gets better. Pat put in a request for conference and training funding and Tom reported that it was approved. The year end report will be given to the Town Board for their upcoming meeting. Pat has been talking to St John's about the rental fee and the lack of utilization of the gym due to programs we had to cancel or discontinue... St John's is working up a new contract where we will pay by the hour for the gym, therefore, paying only for the time we need it. Office hours have changed to Monday – Friday 10AM-2PM and Mondays 5PM-8PM. Pat reported that they will be putting together a ½ page ad in the Hamlin Clarkson Herald for the January events with a mini-registration. A food certification class is being set up by Kathi Rickman. Both Pat and Brenda will be attending the class so there will be two people in the office certified for various events.

**ASSISTANT DIRECTOR'S REPORT:**

Patty Jo reported that the Healthy Weighs class had 13 people in attendance and it was a great success. Lacrosse has 9 signed up to participate and the kids are really excited to start. Patty Jo has started to work on the new brochure and the Free Fishing Day details. Snow Day will be coming up and volunteers are welcome.

**COMMISSIONER'S REPORT:**

None

**OLD BUSINESS:**

*On line registration:* Angel sent a couple of programs to the Commissioners to look over. The one that the Commissioners liked the best would be \$1700 per year. Angel feels that this program will put the department ahead of the game and bring the people to us instead of us going to the people. Pat is looking into having the registration and liability form put on-line so the community could send registration in via Internet. The Commission feels more information and research is needed at this point to determine the best option for Hamlin.

*Football:* Angel & Stan reported that there is a new Hamlin Pop Warner football team which is a Not-For-Profit organization. Stan is on the board and they will be looking to see if they can practice on our fields. They are hoping to start registration in March with practice in August. Angel said that it will be Hamlin Hornets and they are looking to buy uniforms and equipment from other teams that are changing colors or whose programs haven't taken off.

**NEW BUSINESS:**

Pat will be receiving a letter of registration from Mike Turbeville and she will be posting an ad for the opening.

*Welcome to Tom, our new Town Board Liaison.*

**ADJOURNMENT:**

A motion to adjourn was made by Stan at 8:38PM and seconded by Joe.
