Summer sports are in full swing and going great. There were roughly 375 people who came out for the movie and about 125 people for the free fishing day. Patty Jo is looking into creating permanent dugouts for field 2 and making the old dugouts permanent on field 5. She will get back to the commission with the pricing options and details.

COMMISSIONER'S REPORT:

Joe asked if there had been any comments on the out of bounds lines or the umpires. The feedback on the out of bounds lines has been very positive and there have been a few issues with umpires not showing up and it is her hope to advertise for umpires in the winter brochure so we can get more of them lined up. Joe also asked if the numbers could be put back on the baseball/tball uniform for next year. Patty Jo said she would take care of it.

Nicole C. discussed with Patty Jo the possibility of breaking the tiny tot soccer up to two different time slots if there are 40 plus kids next year to cut down on the confusion.
