

Wind Tower Committee *Minutes*
January 16, 2007, 8pm

The first meeting of the Wind Tower Committee of Hamlin was held at 1658 Lake road, Hamlin.

Present: Jerry Borkholder, Linda DeRue, Ed Evans, David Lucas, Art McFarlane, Glen Quetschenbach, Mark Reeves and Andrew Simpson.

The committee voted to elect Art McFarlane as chairman.

The committee decided to visit the wind farm at Weathersfield on Saturday, January 20, to experience, first hand, what they were like, and to share their impressions with each other and the attending public at the next meeting.

A meeting was then opened to public debate. Numerous unidentified speakers participated in the debate. Two questions were left unresolved which will be addressed at the next meeting.

A motion was made and seconded to have a one hour open forum starting at 7pm at each of the two next meetings. Motion was carried. Committee business will follow each of the open forums and end at 9pm.

Copies of the town ordinances covering height of towers and wireless telecommunication facilities were asked for and are available to the committee.

Motion to adjourn at 9pm was made and seconded. Motion carried.
