Stay up to date on the current happenings in Hamlin

# Hamlin email Xpress

2020 has had more than it's share of challenges for everyone! Going forward through the Holiday Season let's think about everything we have to be thankful for. Friends and family are so important during stressful times. Take a minute to thank them for being available and supportive throughout what has turned out to be a very different year. I hope everyone can stay strong and safe during family holiday gatherings and enjoy what the season is about. Take time to check in with family and neighbors that are not able to get out, even if only to talk to them. Sometimes just listening can make a huge difference in someone's day. It is my sincerest hope that everyone had a great Thanksgiving and has a wonderful Christmas.

-Supervisor Eric Peters

## NEW

Coming to the Town Clerk's Office

### Paper Shredding Service

Call for details 964-2421

Tis the Season,

As we all welcome the holidays, in hopes of some kind of normal again, let us not forget to keep our family's safety in mind. Working carbon monoxide detectors and working smoke alarms are a must in every home. Check your Christmas lighting cords for bare and exposed wiring and do not overload electrical circuits. Try to utilize a timer to turn your lights on and off. Everyone deserves to sit back and enjoy family and friends, over a nice holiday meal with all the toppings. Taking in the smell of the fresh baked pies lingering in the air, coffee in the cup, as a wood fire burns slowly in the hearth. It's time to reflect our gratitude towards one another. Enjoy the holidays and stay safe, knowing you are protected 24/7 by the professionals of the Hamlin/Morton/Walker Fire departments.

Ron Bragg, Fire Marshal

KID SPACE

Multi-functional childcare: Before and/or after school days, full no-school days, or full hybrid weeks. Children will be served breakfast and PM snack, but must bring their own lunch on days that they don't attend school. Internet connection available for access to remote learning. Crafts, games, and activities will keep kids occupied, while also providing time for them to work on school activities.

Come join the Hamlin Rec family!
