

**'MINUTES OF HAMLIN SENIORS GENERAL MEETING  
JULY 24 2018**

Our meeting was called to order by President Ronn Klein at 11:45 a.m. followed by the Pledge of Allegiance and a moment of silence for Alliyah Williams, the 6-year-old child recently drowned in the Barge Canal near Spencerport.

After asking that members take time during the meal to read over last month's minutes, Ronn read the July birthdays and anniversaries and "Happy Birthday" and "Happy Anniversary" were sung by all.

Mary Ann Goth is our Senior of The Month. We had 86 members present; no new members, and Ken Miller led us in prayer before the meal.

Because of a misunderstanding on time, the representative from National Grid who was to speak to us today was unable to stay. There will be no speaker this month.

The meeting was reconvened at 12:40 pm.

Secretary's Report: The minutes of our June meeting were approved with a motion and second.

Treasurer's Report: This report showed a balance of \$3,633.99.

Euchre: Ronn announced this month's euchre winners as follows:  
1-- Peg Leverenz (48)  
2-- Anne Elphick and Jim Schiebel (45)  
3-- Janet Haight and Sandy Strassenburgh (43)  
4-- Barb Siebert (28)

Sunshine: Janet thanked the members who had donated cards to her. She sent "Thinking of You" cards to Barb Datz, Jackie Ophardt and Anita Kile; Sympathy cards to Bernice Graham and Nancy Larnder.

Trips: The July 22 local trip to see the Red Wings play was attended by about 25 members; the July 23 trip to Auburn's Merry Go Round Theater to see Anne of Green Gables was enjoyed by those who attended. There are 25 members signed up for the September 5 Corning Glass Museum Trip. The August 7 trip to Buffalo Zoo and the Carrousel Museum has been cancelled because of low numbers.

Linda Rabjohn reported nothing new on the September Extended Trip.

Coordinator's Report: Michelle asked if there would be interest in seeing the play "Chicago" next February; 37 people expressed a desire to see this, so Michelle will look into getting tickets. Only 12 people showed interest in seeing Jeff Dunham at the Blue Cross Arena in October, so that idea will be dropped.

Michelle also said that Special Touch Bakery will be providing pies to the Walker Ladies' Auxiliary this Fall for their pie sales, and asked if we were interested in looking into this for our Thanksgiving pies, since our former provider, Sam's Club, has now closed.

A bus will be taking those interested to a tasting sometime in September.

Flu Shots will again be given at our September meeting, and members may get the required paper work at the August picnic.

President: Ronn said what a delightful trip our members enjoyed when they went to Auburn yesterday to see Anne of Green Gables.

The meeting was adjourned at 12:58 with a motion by Ken Miller and second by Joan Granger.

Respectfully submitted,  
Peg Leverenz
